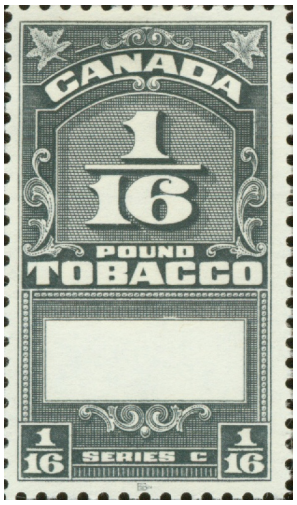
--- 1/16th Pound - Pouch Tobacco Stamps - 1935-64 ---

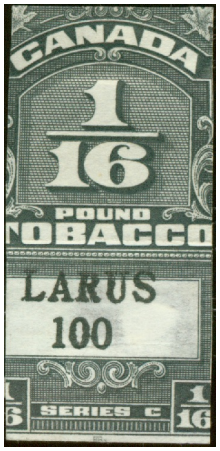
The Lee Brandom catalogue lists the 1/16th pound pouch tobacco stamp as follows:

RN-6 - 1/16th pound, perforated 11 (L-X)
RN-7 - 1/16th pound, imperforate

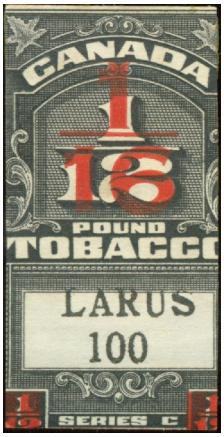


RN-6 - 1/16th pound, perforated 11

I *have not* located a copy of **RN-7** that was not trimmed to the American packaging dimensions. Most of these were trimmed by "Larus Tobacco" - Import Licensee # 100. The Brandom catalogue lists **RN-232** as on RN-7 and coming from 1939-40 - which is incorrect.



RN-7? - 1/16th pound, imperf,
used by Import Licensee # 100
"Larus Tobacco", Virginia



RN-232? - **1/16** on 1/12th pound,
used by Import Licensee # 100
in the 1951-52 era
